

SCHOOL OF ORIENTAL AND AFRICAN STUDIES
University of London, W.C.1.

June 16, 1952.

My dear Tayyib Bey,

Very many thanks indeed for sending me your offprints and your book, which I have just been reading with very great interest. It came at a most fortunate time when I was just about to send an article to the press dealing with a privilege of Mehmed II. Your book has enabled me to revise the last few pages and add important details.

With thanks again and very best wishes,

Yours sincerely,

Arnold Lewis
