Dear Professor Göbbelkin,
As promised - I am sending
you the book: Byzantium
and am only sorry that
I cannot trace the address
of Baron Meyendorff - but I
feel that if you write to
Oxford Press, London they will
forward the letter as they are
his Publishers. Please give
my kind regards to your
family - I also feel that
Universal Aunts 61, Wilton Place
S.W. 1. or the Royal Victoria

league in Belgrave Sq.
May be of help to find
a short arrangement for
your daughter to stay in
a family. Privately -
I found the letter you had
from the solicitor in
Lambwood very nice and
most kind -

I hope to see you and
your family one day
And am sending you
my kind regards,

Yours sincerely
A. Reissner
